TESTIMONIAL

Through Westraunt Catering, I have ordered Cheddar Burger Box Lunches from DickieJo's Burgers for the entire U of O football team and coaching staff - all 150 of us! On each occasion, their catering crew arrived on time with everything neatly packaged. They took special care to individually wrap the various ingredients so that the beef patties stayed warm, the buns dry (not soggy) and the produce fresh and crisp. Everything, including their housemade chips, tasted great! I will order from them again in the future.
